

# Resources Handout - Lent 2025

## Growing In Faith

Lent, like Advent, is a wonderful time for Christians to stop, to reflect and seek to grow in faith. Reading the Bible and prayer are, of course, two foundations for this but, to help us grow, all sorts of resources have been developed across the UK, and global Church, that can help.

This little leaflet is by no means exhaustive, but I hope it will give you some extra ideas as you prepare for Easter and, as we all seek to grow in faith.
